

Let's Work Together for Fair Redistricting

Who: CA Common Cause is a nonpartisan, grassroots organization dedicated to restoring the core values of American Democracy, reinventing an open, honest, and responsive government that works for the public interest, and empowering ordinary people to make their voices heard.

What: Join us and build a coalition and leadership roundtable of organizations and community leaders to call for changes to the San Jose Advisory Redistricting Commission and to help publicize the application process.

Why: We believe that voters should choose their politicians, politicians should not choose their voters. We advocate for redistricting done by the people and for the people, by ensuring City Council district lines are drawn through a fair, transparent, public process led by a commission composed of diverse San Jose residents.

How: Work together on outreach and education on a fair redistricting process for the residents of San Jose. Build our coalition and leadership roundtable. Get elected officials and candidates to go on record supporting changes to the Advisory Redistricting Commission, as well as, a transparent, robust, inclusive application process.
