

Let's Work Together for Fair Redistricting

Who: CA Common Cause is a nonpartisan, grassroots organization dedicated to restoring the core values of American Democracy, reinventing an open, honest, and responsive government that works for the public interest, and empowering ordinary people to make their voices heard.

What: To work with residents and coalition allies for a transparent, inclusive, and empowered San Jose advisory redistricting commission that draws City Council districts using data from the 2020 Census, and accepts applications to serve from everyday San Jose residents.

Why:

We believe that voters should choose their politicians, politicians should not choose their voters. We advocate for redistricting done by the people and for the people, by ensuring City Council district lines are drawn through a fair, transparent, public process led by a commission composed of diverse San Jose residents.

How:

Attend one of our Zoom educational forums on the redistricting process. Help us spread the word to all the residents you know about the San Jose Advisory Redistricting Commission. Apply to be a member of the commission.
